

Iron Dwarves Armoury Troopships

The idea behind the Armoury Class is a simple one: move troops around safely, before landing them ashore to assault enemy positions. This also means this vessel is perfect for performing Boarding Actions. 2 models per blister. Please note that Uncharted Seas models do not ship with stat cards or any other printed materials. Updated rules and statistics will be available from the 'Downloads' section of the Spartan Games website. Our models are made from either resin, pewter, or a combination of the two. Models supplied unpainted and unassembled. Some preparation work may be needed before assembly. We recommend that resin models are washed before painting.
